Science Challenge Camp 2010 FOR TEACHERS

Calling all K-5 teachers! Join ScienceSouth this summer for our annual Summer Science Challenge Camp!

Earn professional development credit, experience hands-on lessons, and walk away with inquiry-based activities for your students!

This summer's topics will include: Life Science, Physical Science, Earth Science, and Inquiry.

Camp will run from June 15-17 at the ScienceSouth Pavilion at Freedom Florence from 8:00 am to 3:00 pm.

Here's what your peers say:

"This was the best workshop that I've been to this summer! The activities were relevant to the standards and will be easy to integrate into lessons presented in the future."

"Thank you for all your hard work and dedication to helping teachers become better scientists"

REGISTER TODAY!

Visit www.sciencesouth.org and use our online booking form to book your camp slot!

We welcome teachers from non-consortium districts. Please contact ScienceSouth at 843-679-5353 or bookings@sciencesouth.org for more information.
